

13TH UOWD ANNUAL INNOVATION FAIR

Date: Sunday, 19 May 2019

Venue: UOWD Campus, Block 15, Dubai Knowledge Park, UAE

Time: 13:30 to 19:00

● **DO YOU HAVE A BRIGHT IDEA FOR AN INNOVATION IN COMPUTER SCIENCE OR ENGINEERING?**

Showcase your project and stand the chance to win AED 5,000 worth of prizes at our Annual Innovation Fair at the University of Wollongong in Dubai.

● **WHO CAN APPLY?**

The competition is open to undergraduate students and recent graduates in:

- Computer Science, Software Development or IT related fields
- Engineering (Electrical, Electronic, Mechatronics, Computer, Telecoms, Energy etc.)

● **COMPETITION CATEGORIES**

The competition invites participants to showcase projects in one of four categories:

- Software and Information Systems (UG student in groups of 2-6 members)
- Early Engineering (1st and 2nd year students in groups of 2-6 members)
- Advanced Engineering (3rd and 4th year students in groups of 2-6 members)
- Research (individual submissions)

● **WHAT'S INVOLVED?**

Each group will present and demonstrate its project to other students, academics, industry professionals, and members of the public, in an interactive and competitive setting.

● **JUDGING AND PRIZES**

AED 5,000 worth of prizes will be awarded by an independent judging panel of representatives from industry and academia

● **HOW TO APPLY**

To apply visit <https://www.uowdubai.ac.ae/innovation-fair> for further information.

● **APPLICATION DEADLINE**

Applications should be received by 30 April 2019
