

# Why Study in Dubai?

- **International recognition of qualifications**  
All degrees offered by UOWD are recognised nationally, regionally and internationally, with accreditation from the UAE Ministry of Education through the Commission for Academic Accreditation (CAA), licensing from KHDA, and is quality assured by UOW, which is registered with the Tertiary Education Quality and Standards Agency (TEQSA), the national regulator of the higher education sector in Australia.

- **Student internships and graduate employment**  
Dubai Expo 2020 is creating more jobs in industry sectors such as Hospitality & Tourism, Healthcare, Manufacturing, Transport & Logistics and many others. The UAE needs skilled and qualified graduates to take on these roles.

- **Safety and cultural harmony**  
The UAE is an open and tolerant society recognised as the 2<sup>nd</sup> safest country in the world, while Dubai is ranked as the 7<sup>th</sup> safest city according to the 2021 mid-year Numbeo Crime Index.

- **Location and airport connectivity**  
Dubai is closer to many home countries in comparison to other education destinations such as the USA, UK, Australia and Canada.

- **Ease of acquiring visas**  
Student visa processing is easier in the UAE when compared to western countries.

- **Cost of living**  
Dubai has a lower cost of living when compared to major metropolitan cities in the USA, UK, Australia and Canada.

# Why Choose UOWD?

**1.**

## **Your Australian University in Dubai**

- The first international campus and Australian university in Dubai.
- A member of UOW's global family of educational institutions.
- Achieve an internationally accredited Australian degree, without having to travel to Australia.

**2.**

## **Excellence in Learning**

- An outstanding cohort of international academics who are leaders in their respective fields, with strong ties to industry.
- All academic staff hold PhDs.
- Degrees are formally recognised by international professional organisations, including AACSB, ACCA, CPA Australia, AHRI, CIM, CIMA, CIPS, CIPD, CILT, ACS and more.

**3.**

## **Reputable, Established & Accredited**

- The first international Australian university established in the UAE.
- 27 years of growth across 4 major campuses.
- Nationally, regionally and internationally accredited by CAA of MoE, licensed by KHDA and is quality assured by UOW, which is registered with the Tertiary Education Quality and Standards Agency (TEQSA), the national regulator of the higher education sector in Australia.

**4.**

## **Safe Learning Environment and Infrastructure**

- Higher quality of student life when compared to home countries in a safe environment with a significantly lower crime rate than other major metropolitan cities.
- Global student mobility between Australia, Hong Kong, Malaysia and Dubai.
- Globally recognised degrees that enhance employment outcomes of UOWD graduates both in Dubai and internationally.

# UOWD History

A story of 27 years' growth in Dubai

1993

## First Campus

From humble beginnings with only 8 students based at Al Mulla Plaza.

2000

## Beach Road

To the Jumeirah Campus on Beach Road overlooking the famous 'Wollongong Beach'.

2003

## Dubai Knowledge Park

Located across three buildings with a capacity of 3,500 students.

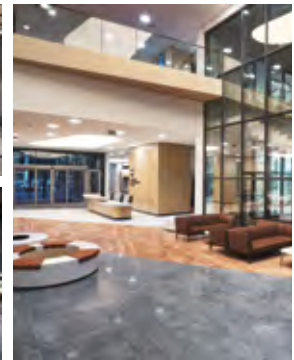

2020

## The Campus of the Future

A purpose-built and innovative campus of the future, the new UOWD building was launched in 2020. Capacity of 5,000 students.

# Our ‘Campus of the Future’

The University of Wollongong in Dubai (UOWD) opened its new purpose-built campus at Dubai Knowledge Park in 2020.

Featuring cutting-edge technologies, modern architecture, and a mix of traditional and innovative learning spaces, the campus provides an enriched experience to meet the demands of today's student population, while supporting teaching staff and community research projects. The facility reflects UOWD's continued pursuit of excellence in teaching, research, industry engagement and student experience.

The campus includes substantial informal learning spaces and meeting rooms, modern classrooms, an exhibition space, a recruitment lounge, a student lounge, a state-of-the-art auditorium and a café.

The premises also houses major laboratories dedicated to power and circuits systems, chemistry, thermodynamic, fluid and heat transfer, hydraulics, manufacturing, physics, robotics, geotechnics, concrete, media and communications, cybersecurity, networking and gaming.

The heart of the campus belongs to the UOWD library with collaborative learning spaces, traditional quiet reading and study zones, meeting rooms of varied sizes, as well as a student lounge designed as an informal learning space.

# Introduction to Degrees at UOWD

With the rapidly changing business environment in mind, UOWD offers global university degrees which are aligned with the UOW Australia campus and are designed in consultation with industry experts to give our students the edge they need to set them apart from their competition. These degrees are innovative, market-drive and flexible, and will help our graduates thrive in their career path of choice.

Throughout the duration of your studies, you will have access to a comprehensive range of academic resources, learning support services and career guidance that will ensure you achieve your potential and help you make the right decisions about your future professional path.

## Trimester Model

UOWD offers a trimester model which divides the academic calendar into three balanced teaching terms (Autumn, Winter and Spring) each of which composed of 11 weeks of teaching, an exam week and at least two weeks of break between any two consecutive trimesters.

We also offer a 5-week intensive summer school which is optional for students, in case they want to progress in their program faster. Students can take up to 3 subjects during a trimester and 1 subject during the optional summer school when pursuing their bachelor's degree and up to 2 subjects during a trimester and 1 subject during the optional summer school when pursuing their master's degree.

This model provides flexibility on study load, enables deeper learning, more time to pursue internships, gain work experience while studying and more.

## Bachelor Degree with Advanced Entry (3 Years)

Prospective bachelor students who have excelled academically at school and meet our direct entry requirements, can now finish their bachelor's degree in three years, instead of the existing four-year programs. This is applicable to all UOWD bachelor degrees excluding Bachelor of Engineering degrees, which are a four-year honours degree as well as Bachelor of Nursing (Conversion) degree.

Graduates will be issued a degree from UOW Australia, which is recognised internationally and accredited by the UAE's Ministry of Education.

Check page 32 to see if you meet our entry requirements.

## Bachelor Degree with Integrated Freshman Year (4 Years)

Any prospective bachelor student that does not directly qualify for an advance entry three-year program, is still able to enroll in any of our bachelor's degree, through our Freshman Year.

The Freshman Year is a year-long program, designed to provide students with foundational knowledge to succeed in their preferred areas of specialisation.

This will provide students the foundational knowledge on Academic Language Skills, Mathematics and Statistics, General Education, computing and a specialist subject which will lead to admission to specific bachelor degree.

Check page 32 to see our admission requirements for freshman year.

# Accreditation

- All degrees offered by UOWD are **accredited by the UAE Ministry of Education through the CAA.**
- This accreditation means that **graduates are able to work in the UAE/GCC\* public sectors** in addition to private organisations.
- Graduates will be issued an **international degree** from UOW Australia which is recognised and attested by the **UAE's Ministry of Education\*.**
- **All of our academic staff have PhDs** and are supported by our highly qualified senior leadership team.
- Alongside UOWD's institutional accreditation, several of the University's degrees have been formally recognised by **international professional organisations.**

UOWD programs are **accredited by**

Our programs are quality assured by UOW, which is registered with the Tertiary Education Quality and Standards Agency (TEQSA), the national regulator of the higher education sector in Australia

**We are licensed by:**

We also have professional body accreditations from
