

# Your healthcare journey with TruDoc

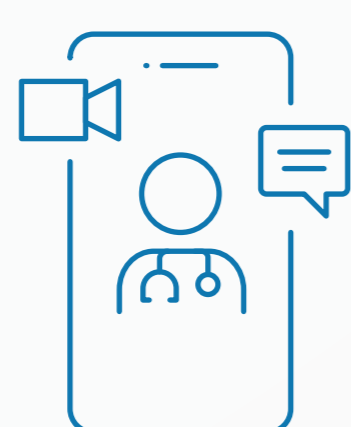

1

Get in touch via TruDoc's mobile application or by calling UAE toll-free number 800 878 362

Get assigned a care coordinator who connects you to the service you require

2

3

Get connected to a doctor immediately

Depending on your diagnosis, the doctor may prescribe medication request for a lab test, or refer you to the nearest in-network facility

4

5

Opt to get your medicines delivered to your doorstep or a lab test at home, if it is available in your area

Get unlimited follow-up consultations, if required

6
