UNIVERSITY OF WOLLONGONG IN DUBAI

NCUK - International Foundation Year

The duration of the International Foundation Year (IFY) is 9 months. Like A-Levels, you will study four academic subjects from the list below depending on which degree you want to study at university.

In Engineering stream, you will study the following 4 modules:

- Technical Mathematics
- Chemistry
- Physics
- Research & Communication Skills

In Business stream, you will study the following 4 modules:

- Mathematics for Business (Optional)
- Business Studies
- Economics
- Sociology
- Research & Communication Skills

Upon successfully completing the NCUK IFY, students are guaranteed a place on a suitable course at an NCUK University or University of Wollongong in Dubai (UOWD) and will also be guided through the university application process by NCUK and a student advisor.
